

HONG KONG FC - HOCKEY SECTION

POLICY STATEMENT - COMMITMENT PLEDGE FORM

SPORTS PREFERRED ASSOCIATE MEMBERS & JUNIOR ASSOCIATE MEMBERS

Introduction

HKFC Hockey Section (the "Section") is delighted to welcome you to Hong Kong Football Club ("HKFC" or the "Club") as a Sports Preferred Associate Member or Junior Associate Member. Whilst membership brings with it access to all the great facilities that the Club has to offer, there are certain criteria which you should endeavour, and will be requested, to fulfil.

Demand for membership of HKFC (and of the Section) is high and, as such, the Section must consider carefully all applicants and the offers of membership supported by the Section. As a rule, the Section looks for members who meet both necessary skill requirements (in terms of their hockey ability) and who also demonstrate an eagerness to participate in "Section life".

Moreover, as a new Sports Preferred Associate or Junior Associate Member to the Club (regardless of sport) you will enter what is known as the Club's commitment period, which runs for a period of four years from the date of commencement (the "Commitment Period"). During the Commitment Period, you will be subject to a few requirements mandated by the Club. Those requirements which are supervised by the Section are as follows:

Commitment Requirements

1. Umpiring

During the first year of your Commitment Period, you are expected to use reasonable endeavours to qualify as an umpire in Hong Kong by attending and passing both a written and practical assessment. If you are already qualified as an umpire overseas, the Section will assist in transferring such qualifications to Hong Kong (and you will work with the relevant contacts within the Section to transfer such qualifications). Thereafter, you are expected to umpire at least two matches per season and take any steps required to ensure that you maintain your umpiring status throughout your Commitment Period.

2. Minimum attendance

During your Commitment Period, you are expected to attend at least 70% of training sessions and matches. In the event that (a) you are available for a match or tournament and you are not selected to play in that match or tournament or (b) you are injured and accordingly not able to play in a match or tournament, then you should endeavour to attend in any case so as to support your team. Failure to do so will mean that you are deemed not to have attended such match or tournament.

In addition, there are a few social overseas tournaments to which the Section will send one or more teams. You are encouraged to attend such tournaments.

3. Attendance at social events

During each year of your Commitment Period, you are expected to attend at least 2 of the 3 Section-wide social events which are held throughout each season, being: (i) the start of season party; (ii) the Christmas party; and (iii) the end of season party. You will be given sufficient advance notice of the dates of these.

There will also be additional social events throughout each season (which may be arranged by your team or by a smaller group within the section) and you are expected to attend these.

4. Additional roles within the Section

Throughout your Commitment Period, you are expected to undertake at least one additional role within the Section. The options available to you include (but are not limited to) the following:

(a) captain or vice-captain of a team within the Section; (b) accepting a position on the committee of the Section; (c) coaching a team within the adult Section; (d) joining the organising committee for the HKFC hockey sixes or any other events the Section may be running; (e) coaching assistance within the Section's mini or junior hockey programmes; or (f) other team roles above and beyond simply playing.

5. AGM

During your Commitment Period, you are expected to attend the AGM of the Hockey Section.

Other circumstances

On reaching 28 years of age, a Junior Associate's Associate Membership will automatically be cancelled unless they have been approved for Full Membership. To be considered for Full Membership, you must, before your 28th birthday: (i) obtain a letter of support from the Section, (ii) pay the applicable Sports Preferred Full Member entrance fee, (iii) attend any required interview, and (iv) sign a renewed Commitment Pledge for the balance of the commitment period.

In the event of a serious injury or pregnancy that impacts your playing commitment, the Club has published guidelines (HKFC Bye-laws II, Section 7.3, para 9). In such circumstances, you must proactively communicate with the Section Committee to discuss your situation. The Membership Sub-committee may require an extension to your commitment period or satisfactory alternative service to the Section.

Please reach out to the Committee if there is anything you wish to discuss in this regard.

Financial Commitment

In addition to the requirements supervised by the Section, please note below the financial commitment that comes with membership for Sports Preferred Associate Members and Junior Associate Members.

Please read them carefully before you decide to apply.

AGE GROUP	JOINING FEE (HK\$)	MONTHLY SUBS (HK\$/MTH)	MIN. F&B SPEND (HK\$/MTH)	HOCKEY LEVY (HK\$/MTH)
U21	1,000	100	100	130
21-28	1,000	850	800	130
28+	25,000	2,120	1,550	130

Reporting

The Club requires the Section to closely monitor each member's Commitment and a report must be submitted to HKFC by the Section once per year. To this end, the Section shall look to review your Commitment on a bi-annual basis.

To the extent that it is determined that you are not meeting the Commitment Requirements (in addition to wider Club requirements (for example, such as minimum F&B expenditure)), then you will receive firstly a verbal warning from a member of the committee of the Section and secondly a written warning from HKFC on behalf of the Section. If you continue to not meet the Commitment Requirements you will (in the first instance) receive an extension of your Commitment Period by up to one year. The Section may withdraw its support for the Applicant's Membership or the MSC may make a negative recommendation (in which case, upon confirmation by the General Committee, the Membership may be terminated).

By my signature below, I confirm and acknowledge that I have read the Membership Agreement and understand and accept the terms that it lays out.
